—Florida killed 10,000 alligators for their hides last year.

—We are gratified to notice that Capt. Izlar is again able to attend to his professional duties.

—Mrs. Mortimer Glover died very suddenly yesterday morning. The afflicted family have the heartfelt sympathies of their many friends.

—The crops are suffering terribly from the severe drought, and, unless we have rain very soon, will prove a failure.

—S. R. Mellichamp and family returned yesterday from a short visit to the country, where they have been rusticiating.

—THE WINNING BOAT, on both days at the Saratoga regatta, were made of paper, and these were the only contesting boats built of that material.

—The books of the Auditor's office are closed and those who have failed to make their tax returns will suffer to the amount of fifty per cent. penalty.

—The old flag of Orr's Rifles, which was in the Public Library at Atlanta, has been returned by Capt. Herbat, its faithful guardian, to Col. Miller, of that regiment.

—Mr. Carrington, who was for many years secretary and auditor of the Greenville and Columbia Railroad, died in Columbia at the age of sixty years.

—Mrs. Lizzie Pettit Cutler declared in a recent lecture on "Flirts of Modern Society," that "it is always the noblest and best men who are ruined by the flirt."

—Flies are the scavengers of vitiated air, where they fatten on the parasites that settle upon them in myriads; while they grow lean and starve in a pure atmosphere where their favorite game is scarce.

—We hear conflicting accounts with reference to the condition of J. Felder Meyers. Some say he is better, and some say worse. From all accounts we judge that with due prudence on his part, and good care, he will recover.

—The Cotton States Congress at Raleigh make a sensible recommendation to planters: To raise their own provision. It is now well demonstrated that no planter can buy his corn and meat and keep out of the hands of the sheriff.

—There's no longer any use in talking war talk, north or south. The people have discovered that there is something else and something better to do, and they are giving their attention to the better work. It is humiliating to the prophets of evil, but there is no help for them.—*Boston Advertiser (Republican)*.

—Terrible floods have occurred in France during the last ten days. The loss of a thousand persons is reported, and the loss to property estimated at \$75,000,000. Inundations have also occurred in Bohemia, Moravia, Tyrol and Barnt, with considerable loss of life and property.

—A game of base ball, the third of the series, was played at Lewisville on Monday, between the Rattlesnakes of that place and the Blue-Stockings of Orangeburg. Our boys were badly beaten, and think they did not receive very magnanimous treatment from the victors.

—Mr. James H. Simonson, of Union, one of the Ku Klux prisoners, arrived in Columbia, Friday, on his way home, from an imprisonment of three years and a half in the Albany penitentiary.

—Rowell's Newspaper Directory shows the failure of one thousand newspapers in this country during the last year, the loss to publishers, subscribers and advertisers amounting to over a million dollars, the *Republic* of New York, alone losing half a million.

ROBBERIES IN SUMMERVILLE.—Capt. Vose's and Mr. Blackwood's stores were both robbed on Wednesday night. Capt. Vose lost about sixty dollars in change, nothing else having been disturbed. Mr. Blackwood lost some money and a considerable amount in stock.

—The postmaster requests us to state that letters stamped with a stamp, cut from government-stamped envelopes are unmailable. But if the envelope has been spoiled in directing they will be resealed, if they appear to have never been sent though the mail.

—An arrangement has been made to unite the *Anderson Intelligencer* and *Anderson Constructor* under the name of the *Anderson Intelligencer*. The new firm promise to enlarge and improve the paper, and, working double team, they can make it at least the equal of any other weekly newspaper in the State. We presume that Col. Hoyt and Mr. Murray will be the editors.

—We have had a fearful spell of weather during the past week, the thermometer ranging among the nineties every day, and has gone up as high as 102° in the shade. The *News and Times* of last week stated it had been as high as 90°. This probably was in the vicinity of the office of the *News and Times*, and conclusively shows that its devil or its editor must occupy a place of convenient conference with his Satanic majesty.

—Mr. G. W. Whitehead, the former proprietor of the *Orangeburg Times*, died at this place on Sunday morning last. It will be remembered that Mr. Whitehead gave up the paper on account of ill-health, and he has for some time been quite low with consumption. The funeral services took place last Sunday at the Baptist Church, and many were present to pay this last tribute to the memory of the deceased, who was highly esteemed in our community.

—Last Monday the jury in the Parker case rendered a verdict of \$75,000 for the Plaintiff. Judge Carpenter in his charge to the jury, paid the following tribute to the free press: Free speech and a free press are inseparable from free governments and though both are liable to be abused, and honest men to be unjustly denounced, yet that is not only a part of the price paid for liberty, but necessary for securing honest and competent officials, and the proper expenditure of the trust fund raised from the labor of the masses for public uses.
